Permission to Land Procedures

Eagle County Regional Airport (KEGE) is designated
as a "user fee airport" [19 CFR 122.1(m);19 CFR 122.15].

Pilots must secure permission to land by contacting CBP
during regular office hours and at least 3 hours prior to
departure from the foreign port or place.

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you
must contact the CBP port to re-secure permission to
land.

Inspection Process

- Aircraft will be parked on the ramp at the FIS by Signature employees.
- If an aircraft lands in the U.S. and CBP officers have not arrived, the aircraft commander shall hold the aircraft, and any merchandise or baggage on the aircraft for inspection. Passengers and crew members shall be kept in a separate place until CBP officers authorize their departure.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed at the aircraft.
- Vehicles and persons, except for Signature employees parking the aircraft, are to stay at least 100 ft away from aircraft until CBP Officers conclude the inspection process.
- Be prepared to present passports, visas, pilot's license, medical certificate, aircraft registration, and user fee decal (if appropriate).
- Regulated waste/garbage will be collected by Signature employees from the aircraft crew.
- Passengers can depart directly from the aircraft at the conclusion of their inspection.

Special Procedures/Miscellaneous

- For Tuesday and Wednesday arrivals, permission to land must be secured by the Monday prior by 1630 MST. No flights will be accepted after that time.
- After hours service may be available with advance notification received during duty hours.
- Permission to land during winter ski season must be secured at least one day prior to arrival.
- This airport is a "User Fee" airport and fees are charged by the FBO for CBP services.
- Diversions: Due to weather or airport closures, proceed to Denver International (KDEN/DEN) as an alternate unless arrangements with another CBP staffed airport have been made.
- Commercial cargo cannot be processed at this airport.

NOTE: For further detailed information regarding national GA processing standards and procedures,
